

## FAMILY PRACTICE

We are searching for a Family Practice physician to join the FP Clinic in Ada. The clinic is made up of four FP's, a PA and nursing staff. Call is 1 in 5 (one weeknight and every 5<sup>th</sup> weekend). Hospital specialty support includes Internal Medicine, Pediatrics, Obstetrics and Gynecology, General Surgery, Orthopaedic Surgery, Psychiatry and Endocrinology. The Clinic is adjacent to the hospital. However, a new 72-bed hospital facility will be completed by the end of 2009. The FP Clinic will then be under the same roof with the new facility.

This position requires completion of an Allopathic (MD) or Osteopathic (DO) Medical School and a U.S. accredited three-year residency program in Family Practice. Candidate must be board eligible. The preferred candidate will be board certified and have at least three years of post-residency experience.

Ada is nestled in the green hill country of south central Oklahoma. With a population of almost 20,000, this growing city has a variety of amenities including local restaurants, shops, movie theatre and an increasing number of recognizable branded businesses (i.e., The Home Depot, Starbucks, etc.). Ada is only 1 hour from a metropolitan area. The Oklahoma City Airport is approximately 1.5 hours away and the DFW (Dallas/Ft. Worth) International Airport is less than 2.5 hours.

The Chickasaw Nation Health System offers competitive employment compensation, excellent benefits, a stable environment and an appreciative patient population. Malpractice is covered by Federal Tort Law.

**Please complete the on-line application and submit your application for this position for consideration. If you have any questions, please contact:**
